

Part List

INSTALLING LEG EXTENDERS (optional)

- Remove the four (4) pre-installed rubber feet (Fig A)
- Slide the Leg Extenders into place, making sure the screw holes are aligned (Fig B)
- Secure the four (4) legs using the eight (8) washers and eight (8) screws (Fig C).

We recommend using a screwdriver, a power drill may overtighten the screws.

CARE

To clean, simply rinse with a hose and wipe dry with a towel. Mild soaps/detergents can be used to remove stains. Do not use harsh chemicals (such as bleach) to clean your pet bed.

Please do not attempt to remove the fabric from the frame.
